Venkaiah Naidu)

PROFESSIONAL SUMMARY

Node backend developer with a desire for space exploration and contributing to a better future. Has exposure to different fields of business because of the family business environment, which has given me a unique perspective and understanding of various industries. Excited to learn new things and is always on the lookout for opportunities to broaden horizons and expand skillset. Highly motivated and thrives in dynamic and fast-paced environments. Excited to take on new challenges and make a meaningful impact in the field of software development.

PROJECTS

Daily Object Clone (Daily Life Style) 🐙 🌐
